### ★ A Great Place To Learn

- We celebrated Read Across America Week by adding up the number of pages we read collectively and turning those into miles on a map to show that we could read as many pages as there are miles across South Dakota!

### ★ A Great Place To Work

- During Wellness Week, we enjoyed many group activities such as yoga before school and matt-ball after school.
- DP held its own March Madness Bracket by having all staff compete in Connect Four. Games have been played all month, we will see who is the champion!

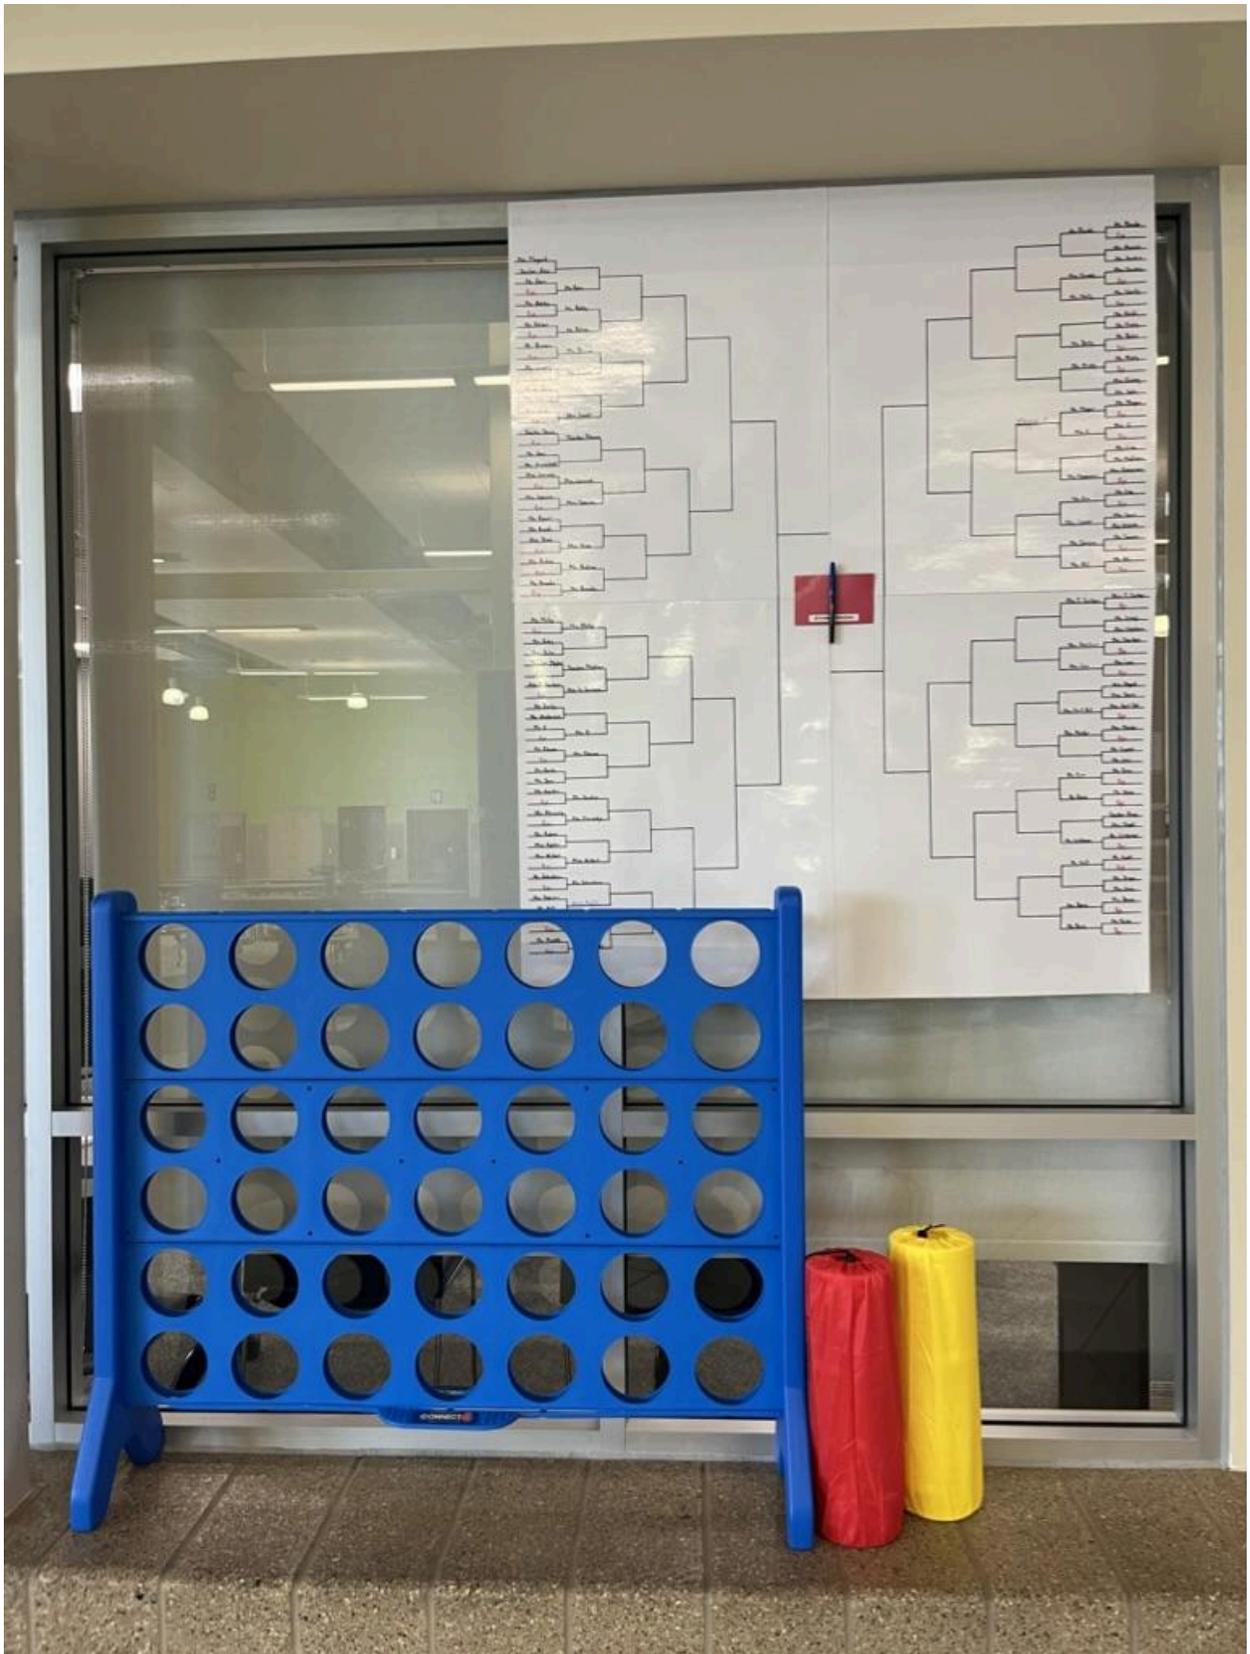

### ★ A Great Place To Collaborate

- NWEA Map Assessment was given, and data were analyzed to adjust instruction. We are above 60% in every grade level for both ELA and Math for the first time in the four years that we have been using this data. This shows us that the work we are doing is making a difference.

### ★ A School District of Excellence

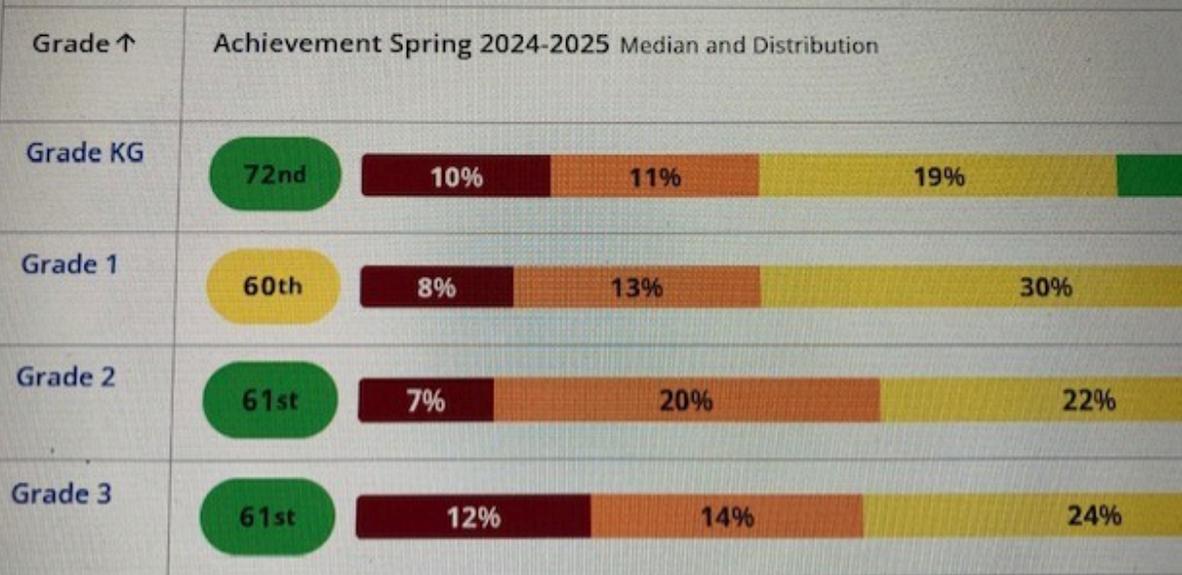

- I attended SASD Leadership/ coaching this year, led by Rick Melmer and Tom Oster. Tanna, Chris, Matt, and Laura S were part of this cohort. It was a year-long commitment and we learned a lot of valuable information that will help us be better leaders.
