

BROOKINGS B.E.S.T.

Brandon Sandoval

Special Education Teacher at Mickelson Middle School

Dear B.E.S.T Award Committee,

We are writing to wholeheartedly nominate Brandon Sandoval for the Brookings School District B.E.S.T Award. As a special education case manager, Brandon consistently goes above and beyond for our learners and the team of educators he collaborates with. Brandon's dedication to our students is evident in his tireless efforts to organize accommodations, ensuring that each learner receives the support they need to succeed. He regularly meets with students to discuss their individual goals, fostering an environment of trust and encouragement. His willingness to assist not only his students but also his colleagues speaks volumes about his character and commitment to our educational community.

What sets Brandon apart is his remarkable leadership qualities. He naturally inspires those around him through his positivity and proactive approach to challenges. Even when faced with difficult situations, he remains focused and solutions-oriented, always demonstrating a genuine passion for his work. His enthusiasm is contagious, and it motivates our entire team to strive for excellence.

We are incredibly grateful for all that Brandon does for us. His unwavering support and dedication make a significant impact on our school environment and the lives of our students. It is a pleasure to work alongside someone who embodies the spirit of the B.E.S.T Award.

Thank you for considering this nomination. I believe that Brandon Sandoval truly exemplifies the qualities that the B.E.S.T Award seeks to honor.
