1. REM Work - Habits of Mind

Each morning Camelot learners are experiencing a morning meeting time that revolves around our 16 Habits of Mind. At the beginning of the school year, teams were created with all staff to develop lessons that are shared collectively by our staff. Throughout our year we have created these 15 minute mini lessons that focus on our Habits of Mind, but also tie in our PBIS Bobcat Be expectations and Random Acts of Kindness. Each quarter we have switched between 4 Habits to focus on.

2. Special Visitors

We welcomed members of the VFW into Mrs. Palmer's and Mrs. Drawdy's classrooms in April. It was an excellent lesson on the rules for proper use, etiquette, and display of the U.S. flag. Learners were taught how to fold the flag, then were able to practice on their own with the help of a Veteran. Many questions were answered along the way! We sure do know more now about Old Glory and how to properly care for the flag. Thank you to all veterans for your service and taking the time to spend time in our building.

3. 4th Grade Choir Concert

After a necessary reschedule due to weather, our fourth graders put on a show for a packed house at Camelot on April 17th. Shown below, the fourth graders demonstrated more than just their singing voices when they also showcased their hard work put in for learning songs on the recorder.
