

STUDENT LEARNER GOALS

The **student learner** is the focal point of all operations of a school district, consequently, the board will spend much of its time in study, deliberation, and policy formulation on matters directly related to **students learners**.

The Board and staff will work together to establish an environment conducive to the best learning achievements for each **student learner** through meeting the following goals regarding **students learners**.

1. To tailor the learning program in order to provide appropriately for each **student learner** according to his or her specific background, capabilities, learning styles, interests, and aspirations;
2. To protect and observe the legal rights of **students learners**;
3. To enhance the self-image of each **student learner** by helping him or her feel respected and worthy through a learning environment that provides positive encouragement through **frequent repeated** success;
4. To provide an environment of reality in which **students learners** can learn personal and civic responsibility for their actions through meaningful experiences as school citizens;
5. To deal with **students learners** in matters of discipline in a just and constructive manner;
6. To provide for the safety, health, and welfare of students;
7. To promote **consistent faithful** attendance and ~~good work~~ **excellence in academic achievement**;
8. **To provide a safe and secure environment for all learners.**
