A Great Place to Learn

Attendance Matters!

Our first month of attendance we have had a strong start! Camelot hopes to have attendance consistently in the 90th percentile or higher for learner attendance. Our Camelot September Average was 96.1%. We are looking forward to presenting learners with Quarter 1 certificates for those who have been present in quarter 1 95% or more.

Unity Day

Unity Day is a powerful reminder of the importance of coming together to promote kindness, acceptance, and inclusion. Camelot celebrated on the third Wednesday of October, it encouraging individuals and our school community to stand against bullying and to foster a culture of respect and understanding.

PBIS Quarterly Recognition

We are proud to recognize our learners for their outstanding commitment to safety during Quarter 1. Their dedication to maintaining a safe environment not only reflects their responsibility but also sets a positive example for others.

A Great Place to Collaborate

November Camelot Newsletter

Here is a link to the [November Camelot Newsletter](#), which is sent out monthly to our families. It contains reminders, upcoming calendar dates, and information about Camelot's happenings.

High Five Friday

In November, we welcomed Bobcat Volleyball, Bobcat Football, and SDSU Volleyball to kick off our Fridays.

Reviewing Data

Camelot staff have continued to dive into our Tier 1 instructional practices for all content areas ensuring alignment. During our October inservice, all data from NWEA, Acadience, and the SD Assessment were reviewed to continue to watch what targets may need to be reviewed for different instructional practices. Following inservice, certified staff looked at Acadience data to determine specific learner needs to begin skill work progress monitoring in the classroom.

Marching Band Performance

The BHS Marching Band visited Camelot to showcase their incredible show with our learners. In this all-school assembly, the BHS Marching Band brought the experience and the energy of the live music and performance.

PTA Pumpkin Challenge

Each class was given a large pumpkin and \$20 to come up with a decorated pumpkin. The winning classes were rewarded from the PTA with a classroom pizza party and additional recess. We had some amazing pumpkins! Below are the winning pumpkins from Ms. Schmidt's (hedgehog) and Mrs. Anderson's (candied apple) classes.
