

BROOKINGS B.E.S.T.

Dawn McCarthy

Central Kitchen Manager at Mickelson Middle School

Dawn consistently brings a positive attitude to the middle school kitchen. She engages in great conversations with students as they come through the line, and they definitely notice her absence when she's not there. Dawn truly loves her job and cares deeply about each student, staff member, and her coworkers. Thank you for being a part of the Bobcat family—we're very fortunate to have you!
