

BROOKINGS B.E.S.T.

Kate Mogard

1st Grade Teacher & Teacher on Special Assignment (TOSA), Dakota Prairie Elementary

Kate Mogard has done an exceptional job stepping into her new role as TOSA at Dakota Prairie this year. Kate continues to plan and teach first grade students in her classroom, as well as thrive in her new position. She has shown herself to be a valuable asset when helping to organize office duties, manage student behaviors, provide advice and guidance to fellow teachers, and facilitate and run committees at our school and within the district.

Kate is a natural in this position and vital to the success of our school. It doesn't matter what challenge is presented, Kate steps up, collaborates to problem solve, and form relationships with staff and learners to reach success.

In both of her roles, Kate is doing what is best for learners. She is a perfect example of the BEST in our school and district. Kate, thank you for all you do!
