RE: Board Report

DATE: April 2025

A Great Place To Learn:

- Access testing has been completed, and state testing is underway. The state testing window is open from now to the beginning of May.
- Our EL staff has been collecting student survey data, and our survey for parents and staff will go out next week. We will also be hosting a virtual parent panel to get input from families. We will go through all of this data and information at our team meeting in May.

A Great Place To Work:

- I traveled to Pierre twice in March, once for our Curriculum Director's Day and once for our Title Plans to Practice days. They were both great for discussions and learning from DOE staff and other districts across the state.

I have been participating in the School Administrators of South Dakota Leadership Academy along with Chris Gruenhagen, Sarah Weibersick, Matt Christie, and Laura Swier throughout this year. The leadership academy brings school administrators from all over South Dakota together to learn more about leading self, others on a team, and with purpose. In March, we traveled to Rapid City for our last meeting.
