

BROOKINGS B.E.S.T.

David Weelborg **Substitute Teacher**

Mr. W has been a consistent presence at Camelot Intermediate School for the past year. As a daily substitute, he works tirelessly to maintain high expectations and promote excellence. Mr. W regularly volunteers his time during lunch and recess duty, which has helped him build strong rapport and connections with our fourth and fifth grade learners. His willingness and dedication make him an incredible asset at Camelot Intermediate School.

Students describe him as:

- Patient
- Smart
- Always willing to help
- Helps them understand hard reading things
- Offers pencils to students in need
- Is always around
- Greets everyone with a smile

Both students and staff at Camelot greatly appreciate his dedication to the students of Brookings.
