- Walk to Math
- Data-Driven Conversations
- Academic Achievement

HILLCREST WALK TO READ

Commitment

Walk to Read is an instructional approach that groups students by specific reading skills, allowing them to receive targeted instruction tailored to their needs.

By focusing on each learner's unique reading abilities, we create more opportunities for success across all grade levels.

Current Data

- Tier 1: 54%
- Tier 2: 10%
- Tier 3: 36%
